"The universal pillars are forces in the cosmos that give a larger and less personal level of support to a person's life. They are the aspects of the universe that simply hold the stage on which an individual can act out his or her dream."

CONNIE KAPLAN

"When you sleep, you sit in the lap of the soul you return to the source of all consciousness. The stories that you remember are encoded messages that were imprinted in your mind during that exquisite homecoming.

CONNIE KAPLAN
